PAPA PETE'S ORIGINALS

The Sedereas family has been serving freshly cooked meals since 1942, when "Papa" Pete emigrated from Chios, Greece and opened his first Diner, The Spotless Diner, on Ferry Street in Newark. With his wife Katie, they went on to open other well known Diners like The Silver Dollar in Ledgewood, The Victory Diner in West New York, NJ, Dick's Diner in Dover and the famous Lackawanna in Morristown.

Papa Pete and his son Costa went on to purchase the famed Three Sister's Restaurant,

where they brought world class dining to a new level, as patrons from around the world came to dine.

In 1985, Papa Pete, Costa and Dimos began construction on The Townsquare Diner. Now Little Pete has stepped in for Papa and is working closely with Dimos and Costa to continue the Townsquare tradition, but these are some of Papa's Original Recipe's.

As Papa Pete would say; "Kali Orexi" or "ENJOY"!

DINO'S FAMOUS GREEK SPECIALTIES

Costa, or Costandino in Greek, was born to be in the Diner.

From an early age he would spend countless hours under his father's watchful eye, learning the in's and out's of the Diner.

From these early years he realized that owning a Diner was what he was born to do!

With his outgoing personality, he has made friendships that will last a lifetime.

When people have traveled or moved out of town, they have always made a point, to stop in and see Costa when they are back in the area.

He believes in "comfort" food and Greek is his!

TOWNSQUARE SPECIALTY ENTRÉES

Much like his father, Peter also grew up in the restaurant business. Under the tutelage of not only his father, Costa, but also under Papa Pete, Peter learned the secret of running a top notch establishment; QUALITY, SERVICE and CLEANLINESS. This was impressed upon him from an early age. You must use top quality ingredients in your cooking; never compromise your quality, your dinner guests will know immediately.

Always give friendly, top notch service catering to your patron. And be sure that your restaurant is always spotless.

With this "secret" always at the forefront, Peter, along with Costa and Dimos have set out to make Townsquare Diner your favorite!

LACAS COFFEE BAR

WE PROUDLY SERVE THE LEGENDARY LACAS COFFEE - FAIR TRADE COFFEE

Lacas imports the highest quality new crop of Arabica beans direct from family owned plantations and are custom roasted at their state of the art facility and delivered fresh to the Townsquare Diner! Peter, Costa and Dimos periodically visit the Roast Master at the Lacas Facility and watch the process; after a rigorous visual inspection, the Arabic Beans are cupped - sampled, roasted, ground and brewed for tasting. In a process much like fine wine tasting, a spoonful of coffee is rolled through the palate and checked for flavor characteristics such as body, aroma, acidity and finish. Nothing short of perfection is accepted by the Lacas Roast Master or the Townsquare Management Team.

Many North Jersey residents have been frequenting Townsquare for years, and the Diner has done its best to grow along with them. Townsquare remains as a meeting place for old friends and family, but it has also grown to offer so much more. From our business "Power Lunches", and our staple breakfast meals, to our expansive and evolving Diner menu, Townsquare has something for everyone.

We always do our best to continue to come up with fresh and interesting ways to better serve our customers. Keeping in stride with this goal, our Chef and his team, work with other culinary experts to perfect our menu. We invested hundreds of hours each year into new recipes and building a menu that is easy to read and order from while offering new and delicious items for you to taste! And for those "on the run," we have made it easy to place your orders to go, with our new Townsquare Diner App, which allows you to place your take out order from any smart phone or computer.
