~ Welcome to Townsquare Diner ~

Since 1987, Townsquare Diner has been famous for our generous portions, fresh ingredients, Legendary Cheesecakes and Specialty Desserts. We buy only the finest ingredients, which our purveyors always deliver fresh. Our fish comes from the Famous Fulton Fish Market, our produce from Hunt's Point and our beef is always U.S. Prime Choice. Focusing on quality food served promptly in a warm family atmosphere, Townsquare Diner seeks to provide the best service it can to all of our Patrons.

Many North Jersey residents have been frequenting Townsquare for years, and the Diner has done its best to grow along with those families. Townsquare remains as a meeting place for old friends and family, but it has also grown to offer so much more. From our business "Power Lunches", and our staple breakfast meals, to our newly expanded Diner menu, Townsquare has something for everyone. We always do our best to continue to come up with fresh and interesting ways to better serve our customers. Keeping in stride with this goal, we have spent the better part of 2010 working to perfect our menu. We have invested hundreds of hours into new recipes and building a new menu that is easy to read and order from. Some loyal patrons may wonder if their favorite meals are still available. Rest assured, the new menu contains almost all of the items that you have come to know and love! What's more, we've taken the time to update our menu, offering new and delicious items for you to taste!

The Sedereas', Costa and Peter, Dimos Paxos, and their families invite you to sample some of our exciting menu ideas, and please be sure to stop over and say "Hello!".

PAPA PETE'S ORIGINALS

The Sedereas family has been serving freshly cooked meals since 1942, when "Papa" Pete emigrated from Chios, Greece and opened his first Diner, The Spotless Diner, on Ferry Street in Newark. With his wife Katie, they went on to open other well known Diners like The Silver Dollar in Ledgewood, The Victory Diner in West New York, NJ, Dick's Diner in Dover and the famous Lackawanna in Morristown.

Papa Pete and his son Costa went on to purchase the famed Three Sister's Restaurant,

where they brought world class dining to a new level, as patrons from around the world came to dine.

In 1985, Papa Pete, Costa and Dimos began construction on The Townsquare Diner. Now Little Pete has stepped in for Papa and is working closely with Dimos and Costa to continue the Townsquare tradition, but these are some of Papa's Original Recipe's.

As Papa Pete would say; "Kali Orexi" or "ENJOY"!

Many of our original recipes, specials and soups, originated from Dimo's.

DINO'S FAMOUS GREEK SPECIALTIES

Costa, or Costandino in Greek, was born to be in the Diner.

From an early age he would spend countless hours under his father's watchful eye, learning the in's and out's of the Diner.

From these early years he realized that owning a Diner was what he was born to do!

With his outgoing personality, he has made friendships that will last a lifetime.

When people have traveled or moved out of town, they have always made a point, to stop in and see Costa when they are back in the area.

He believes in "comfort" food and Greek is his!

TOWNSQUARE SPECIALTY ENTRÉE'S

Much like his father, Peter also grew up in the restaurant business. Under the tutelage of not only his father, Costa, but also under Papa Pete, Peter learned the secret of running a top notch establishment; **QUALITY, SERVICE and CLEANLINESS.** This was impressed upon him from an early age. You must use top quality ingredients in your cooking; never compromise your quality, your dinner guests will know immediately.

Always give friendly, top notch service catering to your patron. And be sure that your restaurant is always spotless.

With this "secret" always at the forefront, Peter, along with Costa and Dimos have set out to make Townsquare Diner your favorite!

LACAS COFFEE BAR

WE PROUDLY SERVE THE LEGENDARY LACAS COFFEE

Lacas imports the highest quality new crop of Arabic beans direct from family owned plantations and are custom roasted at their state of the art facility and delivered fresh to the Townsquare Diner!

Peter, Costa and Dimo's periodically visit the Roast Master at the Lacas Facility and watch the process; after a rigorous visual inspection, the Arabic Beans are cupped - sampled, roasted, ground and brewed for tasting. In a process much like fine wine tasting, a spoonful of coffee is rolled through the palate and checked for flavor characteristics such as body, aroma, acidity and finish.

Nothing short of perfection is accepted by the Lacas Roast Master or the Townsquare Management Team.

Each Cup you have will be Delish!
